Subject: APPLICATION FOR RCY AUTHORIZATION AS THIRD PARTY CONTRACTOR FOR ENVIRONMENTAL LABORATORY ANALYSIS

Dear Mr. Ahmed,

Royal Commission at Yanbu – Environmental Protection and Control Department (RCY EPCD) has reviewed Element's application of authorization to provide environmental laboratory analysis services in YIC. After our review, we have concluded that Element's has the capabilities and technical experience to provide this service. Thus, Element is hereby accepted to provide environmental laboratory analysis service within Yanbu Industrial City only.

The acceptance is valid for a duration of two years from the date of this letter, but is subject to Element updating their staff expert list and maintaining GAMEP registration. The RC approval will be revoked if the renewed certificate is not provided to the EPCD within 30 days after expiry of the existing GAMEP certificate.

Please also note, EPCD reserves the right to rescind this approval should Element's level of service be seen to fall below required standards.
