Re: Element Materials Technology-Lafayette, LA (LA00903)

Tristan Davis
Element Materials Technology
2417 West Pinhook Road
Lafayette LA 70508-3344

Dear Mr. Davis:

I have received documentation from Rea Riggle supporting continued certification for the contaminants and methods listed below.

Certification for these contaminants is in effect through the date noted in the chart below, pending successful results of future performance evaluations and your continued certification status with the State of Louisiana.

REGULATED INORGANICS	CERTIFICATION GRANTED FOR:	CERTIFICATION EXPIRATION DATE:
Copper	200.7 rev 4.4	12/31/2025
Copper	200.8 rev 5.4	12/31/2025
Lead	200.8 rev 5.4	12/31/2025

We reserve the right to perform our own on-site inspection. If you have any questions, you may contact Rea Riggle at (605) 773-3368 or me at (605) 394-6745.

Sincerely,

Eric Fuehrer
Drinking Water Program
