Dear Ms. Pelz;

This letter acknowledges receipt of your request to extend the drinking water chemistry certification for Element Materials Technology of Ft. Wayne ID# C-02-03, until **February 28, 2018**. The expiration date of your laboratory's Indiana drinking water chemistry certification has been extended to this date based on past performance, the successful completion of on-going PT studies and to match the extended expiration date of your drinking water microbiology certification.

If you or any of your customers have questions or need further information, please contact me.

Sincerely,

Katie E. Sullivan
