Any variation to the Contract or an Order or these Conditions shall have no effect unless expressly agreed in writing by Buyer and specifically confirming over-riding provisions in these Conditions. These Conditions do not affect the Buyer's statutory and other legal rights.
- c. The headings in these Conditions are for convenience only and shall not affect their interpretation.

2 DELIVERY OF GOODS/PROVISION OF SERVICES

- a. The Supplier shall deliver the Goods or complete the provision of the Services by the respective delivery or completion dates stated on the Order. If no dates are so specified, delivery of the Goods and/or completion of the Services will be within 28 days of the date of the Order or by such later date as may be agreed by the Buyer and the Supplier in writing. Time for delivery of the Goods and/or completion of the Services shall be of the essence of the Contract and/or Order.
- b. Delivery of the Goods and provision of the Services to the Buyer shall be made at the respective places specified in the Order (or, if none is specified, at the Buyer's premises from which the Order is placed) and by the methods specified on the Order (or, if none is specified, using such methods as comply with best accepted industry practices).
- c. The Supplier shall deliver the quantity of Goods stated on the Order. The Buyer may at its discretion accept a quantity variation and pay pro-rata for the actual quantity delivered.
- d. The Goods shall be properly packed and stored during transit at Supplier's expense, so as to reach their destination in an undamaged condition. All containers and other packaging shall be included in the price and non-returnable unless otherwise stated on the Order.
- e. The Supplier shall, at its own cost and expense, obtain, maintain and comply with any necessary export/import licenses, permits or consents (including work permits or authorizations) for the supply and delivery of the Goods or provision of the Services.
- f. The Buyer or its representatives shall have the right to inspect and test the Goods and inspect the provision of the Services, and the Supplier irrevocably grants the Buyer the right to enter its premises for these purposes. If as a result of such inspection or testing the Buyer is not satisfied that the Goods or the Services comply with the Contract or Order and the Buyer so informs the Supplier then the Supplier shall take all necessary steps to ensure compliance. No inspection or testing shall imply any acceptance by the Buyer nor the waiver of any contractual or statutory rights.
- g. The Buyer may at any time make changes in writing relating to the Order including, without limitation, changes in the specification of the Goods or the method of performance of the Services, quantities, packing or time or place of delivery of the Goods or performance of the Services. If such changes result in an increased cost of, or time required for, the delivery of the Goods and/or the performance of the Services, an equitable adjustment shall be made to the price and/or the schedule for the delivery of the Goods or the performance of the Services. Any claim for adjustment by the Supplier must be approved by the Buyer in writing before the Supplier proceeds with such changes.
- h. The Buyer shall be entitled to cancel the Order in whole or in part by giving notice to the Supplier at any time prior to delivery of the Goods or performance of the Services, in which event the Buyer's sole liability shall be to pay to the Supplier fair and reasonable compensation for work-in-progress at the time of cancellation, but such compensation shall not include loss of anticipated profits or any consequential loss and shall not exceed the price to be paid for the Goods to be delivered and/or Services to be performed under the cancelled Order.

3 PRICE AND PAYMENT

- a. Unless otherwise stated on the Order the price for the Goods and/or the Services shall be denominated in US Dollars and is exclusive of duties, fees, sales or use taxes, or cost of delivery, carriage, packing or provision to the Buyer. Such charges must be identified separately from the price. Taxes will not be included on the Order but shall be included on the invoice. All any additional charges for the Goods and/or the Services must be approved by the Buyer in advance and in writing.
- b. If no price is stated on the Order, a price must be agreed in writing with the Buyer before the Order is acted upon by the Supplier.
- c. The Supplier's invoices shall not be paid by the Buyer unless they show the Order number. Unless otherwise stated on the Order, payment shall be due from the Buyer sixty-five days from the invoice date. The Supplier may not invoice the Buyer until delivery of the Goods to the Buyer or completion of the Services unless otherwise stated on the Order.
- d. Payment by the Buyer shall be without prejudice to any claims or rights which the Buyer may have against the Supplier and shall not constitute any admission by the Buyer including, without limitation, the Supplier's satisfaction of its obligations under the Contract or Order. The Buyer may withhold payment of any sums due under the Contract or Order in the event of any dispute with or claim against the Supplier.
- e. The Buyer may, by notice in writing to the Supplier, set off any or all of the monies owing by the Buyer to the Supplier for the Goods or the Services against any amount owing from the Supplier to the Buyer or its affiliates (without prejudice to any other remedies of the Buyer in respect of any default by the Supplier).

- a. Risk in and title to the Goods shall pass to the Buyer on delivery to the Buyer (or, if appropriate, on receipt of the Goods by the Buyer's carriers) provided that where the Goods are transferred to the Buyer in connection with the Services, risk and title shall pass to the Buyer on substantial incorporation into or onto the premises or the property of the Buyer or on completion of the Services (whichever is earlier).
- b. Where the Buyer, without any charge to the Supplier, provides materials and/or equipment to the Supplier for use in the manufacture of the Goods to be delivered to the Buyer under the Contract or Order, such materials and/or equipment shall at all times remain owned by the Buyer but shall be at the Supplier's risk from point of receipt by the Supplier. The Supplier shall only use such materials and/or equipment for the purpose of manufacturing the Goods under the Contract or Order, shall not subject such materials and/or equipment to any charge, lien or encumbrance, and shall where reasonably practical keep such materials and/or equipment separate and clearly identified as the Buyer's property. The Supplier shall promptly execute or authorize appropriate UCC Financing Statements to be filed to evidence Buyer's title to said materials and/or equipment and the Supplier shall promptly obtain and deliver to the Buyer lien waivers from its landlord (if its premises are leased) and from any secured lenders of the Supplier, to confirm the Buyer's superior title and lien rights. The Supplier shall also insure, at the Supplier's cost and expense, said materials and/or equipment against casualty or loss at the Buyer's request.
- c. Title to all items provided to the Supplier for or in connection with the provision of the Services shall remain at all times with the Buyer and the Supplier shall not exercise, assert or purport to exercise or assert any lien of whatever nature in connection with such items and risk in them shall remain with the Supplier until completion of the Services and redelivery to the Buyer (when risk shall revert to the Buyer).
