1. Formation of Contract
   1.1 These terms and conditions ("Terms and Conditions") together with any quotation, proposal, estimate or fee quote ("Quotation") provided by or on behalf of the Company (as defined below) shall apply to all contracts for the supply of testing, calibration and/or other services ("Services") carried out by Exova B.V. ("Company") providing the services contemplated therein on behalf of a customer ("Customer").
   1.2 These Terms and Conditions shall supersede and override any terms or conditions contained in or referred to in the Customer's purchase order or any other document or specifications issued otherwise in writing by the Company or (if earlier) by the Company starting to provide the Services, when a contract for the supply and purchase of those Services on these Terms and Conditions will be established (the "Contract").
   1.3 Written and oral Quotations shall be valid for sixty (60) days from the date thereof and the Company may withdraw any such Quotation at any time. No Quotation given by the Company shall be an offer to contract with any person and no contract shall come into existence except in accordance with sub-condition 1.4.
   1.4 The Customer's purchase order or the Customer's acceptance of a Quotation constitutes an offer by the Customer to purchase the Services specified in the Quotation upon these Terms and Conditions. No offer placed by the Customer shall be accepted by the Company other than by the Company's confirmation of order, or implied by law (unless the law in question cannot be excluded), trade custom, practice or course of dealing. Any phrase introduced by the terms "including", "include", "in particular" or any similar expression, shall be construed as illustrative and shall not limit the sense of the words preceding those terms.
   1.5 No acceptance or acknowledgement, even if in writing and signed by the Company, of the Customer's purchase order or any other document pertaining to the Services shall constitute acceptance of any provision of the Customer's purchase order or any other document that conflicts with or adds to these Terms and Conditions unless the Company specifically agrees to such a variation of these Terms and Conditions pursuant to and in accordance with sub-condition 2.1.
   1.6 The delivery to the Company by the Customer of any item for testing or calibration by the Company (a "Sample") or the delivery of any request by the Customer to the Company for the provision of any similar services shall, upon acceptance of that Sample or request by the Company, constitute an 'offer' (as referred to in sub-condition 1.4). If the Company begins such testing, calibration or similar services on that Sample, the offer shall be deemed to have been accepted by the Company and a Contract shall be formed. These Terms and Conditions shall apply to that Contract.

2. Variation including Cancellation, Postponement and Amendment
   2.1 These Terms and Conditions may not be varied or waived by either party unless the variation or waiver is in writing and signed by an officer or duly authorised signatory of the Company. The variation or waiver must set out the condition(s) or sub-condition(s) to be varied or waived and the detail of each such variation or waiver.
   2.2 The Customer may cancel, postpone or amend any order (in whole or in part) at any time, provided that the Customer shall pay to the Company the full amount of the Consideration (as defined in sub-condition 3.1) relating to such order plus all Costs (as defined in sub-condition 3.1) relating to such order incurred by the Company prior to the date of the cancellation, postponement or amendment plus any other losses, expenses and costs incurred by the Company as a result of the cancellation, postponement or amendment.
   2.3 The Company reserves the right to review and amend any Quotation prices where documentation, specification or other materials relating to the Services have materially changed since the original Quotation was given or where additional services not envisaged by the Quotation are requested, for example, producing written descriptions of detailed procedures undertaken as part of the Services. For the avoidance of doubt, approval of such additional requests shall remain at the Company's discretion.

3. Prices and Payment
   3.1 The Customer shall pay the Company the charges set out in the Quotation, if applicable, or as otherwise contemplated for the provision of the Services ("Consideration") and shall pay the Company on demand for any expenses incurred in the provision of the Services ("Costs"), unless expenses are otherwise in writing.
   3.2 The Company may invoice in respect of Services:
   3.2.1 upon completion of the Services; or
   3.2.2 upon completion to the Company's reasonable satisfaction of separate parts of the Services, in which case, the Company will invoice for that proportion of the total Consideration for the Services performed under the Contract; or
   3.2.3 in a manner otherwise specified in the Quotation, including individual lines on the Quotation, or order confirmation.

The Customer shall pay the Consideration and Costs stated in any invoice for Services provided pursuant to these Terms and Conditions in full, without deduction or set-off, within thirty (30) days of the date stated on that invoice. The Consideration shall be paid free and clear of, and without deduction for and on account of, tax unless the Customer is required by law to make such payment subject to the deduction of withholding tax, in which case the sum paid by the Customer shall be increased to the extent necessary to ensure that after such deduction or withholding the Company receives an amount equal to Consideration and Costs it would have received had no such deduction or withholding been required.

The Customer shall pay the Consideration and Costs to the Company by electronic bank transfer in cleared funds in the currency specified in the Company's Quotation, proposal or order confirmation. All payments due to the Company shall be payable within the specified time irrespective of whether or not the Customer has recovered payment from a third party and, for the avoidance of doubt, but without prejudice to the generality of the foregoing, this includes payments of fees due to the Company acting as experts or as expert witnesses when instructed by solicitors acting for a party to a dispute.

In default of payment within the thirty (30) days, the Company may suspend any further Services being carried out for the Customer; withhold the provision of Reports (as defined in sub-condition 4.2); alter or withdraw credit terms; and amend terms, prices or service levels. The amount outstanding from time to time shall bear interest, calculated from the due date of the invoice to the date of receipt of the amount in full at a rate equivalent to 3% per annum above the then applicable statutory interest rate.

The Company may retain or set off any sums owed to it by the Customer which have fallen due and payable against any sums due to the Customer under this Contract or any other agreement between the parties or any of their Group Companies. "Group Company" means, in relation to a company, any subsidiary or holding company of that company, and any subsidiary of a holding company of that company.

4. Services
   4.1 Subject to the remaining sub-conditions of this condition 4, the Company warrants that it will complete the Services in a satisfactory and workmanlike manner, consistent with industry standards. The Customer expressly acknowledges and agrees that the Company gives no warranty that any result or objective can be achieved through the Services and that, where results are based on smaller scale tests and theoretical studies, results may require careful validation in order to be extrapolated to a production scale.
   4.2 The Company will use its reasonable endeavours to complete Services and provide written information, results, technical reports, certificates, test or inspection records, drawings, recommendations, advice or the like in respect of the Services (the "Report") or certificate thereon to the Customer by any date reasonably requested in writing by the Customer, but the Company shall not be liable to the Customer for: (i) any delay in the performance of any obligation under the Contract; or (ii) damages suffered by the Customer by reason of such delay.
   4.3 The Company’s obligation to complete Services under the Contract shall be subject to any obligation it may have to comply with any law or regulations which bind it from time to time.
   4.4 No employee, agent or other person is authorised to give any warranty on behalf of the Company in relation to the Contract, or to assume for the Company any other liability in connection with the Services, unless such warranty or assumption of liability is given to the Customer in accordance with sub-condition 2.3.
   4.5 In relation to radiography reports and film delivered or interpreted as part of the performance of the Services, the Customer shall notify the Company, within fourteen (14) days from date of issue of such radiography reports and film, of any Customer or third party dispute concerning either the radiographic quality or interpretation of results. If the Company does not so notify the Company within this fourteen (14) day period, the Customer will be deemed to have accepted the
radiography reports and film, together with any interpretation of these, provided by the Company.

4.6 The Customer warrants to the Company the completeness and accuracy of all documents and information supplied to the Company for the purposes of the Company fulfilling the Services, both at the time of supply and subsequently.

4.7 Reports are issued on the basis of information known to the Company at the time that the Services are carried out. Although the Company will use all reasonable endeavours to ensure accuracy, the Services depend, in part, on the information submitted by the Customer. The Company shall not be liable in respect of any such item so delivered. The reasonableness decided and will do so as the agent of the Customer and will remain with the Customer at all times, who shall be responsible for effecting and maintaining its own insurance cover in relation thereto, it being hereby acknowledged by the Customer that the charges of the Company do not include insurance. The Company may retain all property delivered to it until all sums due and owing to the Company by the Customer have been paid.

5. Liability and Indemnity

5.1 The Company shall supply as much information as possible, including a unique purchase order number, reference or authorization, about each Sample and/or Service requirement in order to assist in achieving an efficient service. If a Customer provides the Company with detailed instructions in writing as to the treatment and handling of particular items of its property, the Company will use its reasonable endeavours to comply with such instructions.

5.2 The Customer shall inform the Company in writing prior to the Company carrying out any Service on a Customer site or Sample that is of a dangerous or unstable nature, as well as notify the Company of any actual or potential health & safety hazards relating to a Sample and arising from the Company’s performance of the Services, and shall provide instruction on the safe visiting of the site or safe handling of the Sample. The Customer shall accept full responsibility for appropriate safety labeling pertaining to the Sample and any equipment provided to the Company by the Customer.

5.3 The Customer acknowledges and expressly agrees that, subject to sub-condition 5.4 where the Contract specifies that the Services include non-destructive testing of the Sample, the performance of the Services may damage, destroy any and all Samples, and any other materials or property delivered by Customers to the Company in relation to the Contract. Under no circumstances will the Company be responsible for any additional costs or damages, including consequential damages and indirect costs or losses, resulting from destruction or loss of the Sample.

5.4 When testing, analysis or other services are carried out, the Company shall not be liable in respect of any costs or losses resulting from damage to or destruction of any property belonging to the Customer unless the Customer notifies the Company in writing before delivery to the Company and the property itself delivered to the Company is clearly marked “Do Not Destroy or Damage”. If such notice is given and the Company’s property is so marked, the Company’s liability for damage to or destruction of the Customer’s property is limited to the lesser of:

5.4.1 the value of Customer’s property; or

5.4.2 the cost of the Services performed on the damaged property pursuant to the Contract.

6. Re-Delivery

6.1 The Company will at the Customer’s reasonable written request, deliver the Customer’s property (other than which is destroyed as part of the Services) back to the Customer after performing Services relating to that property. The Company may use any method of delivery that it reasonably decides and will do so as the agent of the Customer and will not have any liability in respect of any such item so delivered. The Company may at its discretion instruct any person delivering such property to the Customer to invoice that Customer directly in respect of that delivery and the Customer shall pay all costs and expenses, including staff and any other person.

6.2 Unless specifically instructed to the contrary in writing by the Customer, the Company reserves the right to properly dispose of Customer’s property after three (3) months from completion of the Services. The Company reserves the right to invoice the Customer for any costs of disposal. Where property of the Customer is, in the sole opinion of the Company, too bulky or too unstable to allow storage time of more than one month, it will be at the absolute discretion of the Company as to the length of time such property is kept before being destroyed.

7. Title & Security

7.1 Title to the Customer’s property which is delivered to the Company and all risk of loss or damage to such property (except for loss or damage caused by the Company and for which to the extent that the Company is liable this liability is assumed by the Company) will remain with the Customer at all times, who shall be responsible for effecting and maintaining its own insurance cover in relation thereto, it being hereby acknowledged by the Customer that the charges of the Company do not include insurance. The Company may retain all property delivered to it until all sums due and owing to the Company by the Customer have been paid.

8. SUBJECT TO THE REMAINING SUB-CONDITIONS OF THIS CONDITION 8, THE COMPANY SHALL NOT BE LIABLE, WHETHER IN TORT, CONTRACT OR OTHERWISE FOR:

8.1 LOSS OF PROFITS; LOSS OF BUSINESS, LOSS OF REVENUE; LOSS OF MARKETS; LOSS OR DAMAGE INCURRED AS A RESULT OF A THIRD PARTY CLAIM; DEPLETION OF GOODWILL AND/OR SIMILAR LOSSES; LOSS OF ANTICIPATED SAVINGS; LOSS OF GOODS; LOSS OF CONTRACT; LOSS OF USE; LOSS OR CORRUPTION OF DATA OR INFORMATION; EX GRATIA PAYMENTS; OR

8.2 ANY CONSEQUENTIAL LOSS, COSTS, DAMAGES, CHARGES, FINES, PENALTIES OR EXPENSES; OR PURE ECONOMIC LOSS.

8.3 SUBJECT TO CONDITIONS 8.2 AND 8.5, THE COMPANY’S TOTAL LIABILITY TO THE CUSTOMER IN CONTRACT, TORT OR OTHERWISE ARISING IN CONNECTION WITH THE PERFORMANCE OR CONTEMPLATED PERFORMANCE OF THE CONTRACT SHALL IN ALL CIRCUMSTANCES BE LIMITED TO THE GREATER OF (I) EUR 6,000 (min) and (II) THE TOTAL FEE PAYABLE UNDER THE TERMS AND CONDITIONS OF THIS CONTRACT.

8.4 The Company acknowledges that the above provisions of this condition 8 are reasonable and reflected in the price which would be higher without those provisions and the Customer will accept such risk and/or insurance accordingly.

8.5 The Customer agrees to indemnify, keep indemnified and hold harmless the Company from and against all losses which the Company may suffer or incur arising out of or as a result of:

8.5.1 breach of any law by the Customer in connection with the performance of the Services;

8.5.2 any claim threatened or made against the Company by any third party arising out of the Services or out of any delay in performing or failure to perform the Services (even if such claim is solely or partly attributable to the fault or negligence of the Company) to the extent that such claim is in excess of the consideration paid for the Services under the Contract that are subject to the claim; or

8.5.3 any claims arising as a result of any misuse or unauthorized use of any Reports issued by the Company or any Intellectual Property Rights belonging to the Company (including trade marks) pursuant to this Contract.

Notwithstanding anything contained in any of these Terms and Conditions, the Customer’s liability under this indemnity shall be unlimited.

9.2 All Intellectual Property Rights (including copyright in records, scientific documentary, primary data or electronic means of handling data) produced during any Service shall belong to and remain the property of the Company unless expressly agreed as part of the Contract. Ownership and copyright in the Report shall remain with the Company. Upon the Customer discharging all its obligations under the Contract, including payment of the Consideration, the Customer will obtain an irrevocable, royalty-free, non-exclusive licence to use the Report (including the right to sub-license), subject to the terms of sub-condition 9.2 and this sub-condition 9.3.

9.4 All Intellectual Property Rights in all service mark(s), trade mark(s), certification mark(s) and other names and logos owned by the Company shall remain the property of the Company and cannot be sold or licensed by the Customer.

9.5 When certification is granted the Company shall award a licence to the Customer to use the Company’s certification mark(s) and logos for the certification validity period, subject to the applicable terms of use (as amended from time to time) which are issued with every certification and are available on request.

9.6 The Customer shall indemnify the Company against all losses to which the Company may become liable as a result of a claim that the use of any data, equipment or other materials supplied by the Customer for the performance of the Services involves the infringement of any Intellectual Property Rights of any third party.

9.7 Except for the rights to use set forth in condition 10, this Contract does not grant and shall not be construed as granting, any rights to either party to any name or mark of the other party. Neither party is granted any right to the other party’s name in connection with any publication and may not give any press release or make any other public announcement regarding this Contract, the Services or any transaction between the parties without the express prior written consent of the other party.

10.2 The Customer hereby undertakes that it shall not:

10.2.1 except as set out in sub-condition 10.1, disclose a Report (or information contained within a Report) to any third party without the prior written consent of the Company;

10.2.2 replicate or present a Report except in full as delivered by the Company without the prior written consent of the Company; or

11.3 In addition to any specific Customer obligations set out in the Quotation and the provisions of sub-condition 11.2, where Services are provided at the premises of the Customer, the Customer shall: (i) provide the Company with necessary access to any Customer premises; (ii) ensure that any premised provides by the Customer for the provision of any part of the Service is suitable for that purpose; (iii) provide all usual auxiliary and operating materials (including gas, water, electricity, lighting etc.) relevant to any part of the Premises used by the Company with any permits required for the performance of the Service.

12. Court and Other Proceedings

12.1 In the event that the Customer requires the Company to present the results or findings of Services carried out by the Company in witness statements, court hearings or other legal proceedings, the Customer shall pay to the Company such costs and fees for such presentations and the preparation thereof as the Company may charge to customers generally from time to time for such services and the Customer shall be liable for such costs in addition to the Consideration.

12.2 In the event that the Company is required by a party other than the Customer to present the results or findings of Services carried out by the Company for any legal proceedings relating to the Customer, the Customer shall pay all costs and fees arising from any services which the Company is required to do as a result, including the preparation of any witness statement and the preparation for and appearance at any court hearing. The Customer shall pay all such costs, whether or not the Customer has paid all outstanding Consideration under the Contract and whether or not the Company has closed the Customer’s file in respect of the matter.

13.5 Conditions which expressly or by implication survive termination of the Contract shall continue in full force and effect.

14. Force Majeure

The parties shall not be liable to perform any obligation under the Contract if inability to perform is caused directly or indirectly by flood, war, riot, accident, terrorism, explosion, strike or labour dispute, compliance with any law, delay or default by subcontractor or supplier of materials or services, the existence of any circumstance making performance commercially impracticable or any other cause beyond the party's reasonable control, provided that this condition 14 shall not apply to any obligation to make any payments due to the Company under the Contract.

15. Waiver of Compliance

Waiver by either party hereto of a breach by the other party of any of the provisions of these Terms and Conditions shall not be deemed, as a matter of future compliance therewith, and such provisions shall remain in full force and effect.

16.1 The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, warranties, and understandings between them, whether written or oral, relating to its subject matter.

16.2 Each party agrees that it shall have no remedies in respect of any statement or warranty that is not set out in the Contract.

17. Severability

If any provision or remedy herein provided for be invalid or unenforceable or unlawful under any applicable law in whole or in part, it shall be deemed to be amended in so far as it is possible to do so in order to make it enforceable whilst retaining its purpose or severed from the Contract if it is not possible to do so and the remaining provisions of these Terms and Conditions, including any remaining default remedies, shall be given effect in accordance with the intention hereof. In the Company's sole discretion it may terminate the Contract by not less than seven (7) days' written notice to the Customer in the event that it considers that such deletion will have a materially adverse effect on its rights under the Contract.

18. No Partnership or Agency

18.1 Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between any of the parties, constitute any party the agent of another party, or authorise any party to make or enter into any commitments for or on behalf of any other party.

18.2 Each party confirms it is acting on its own behalf and not for the benefit of any other person.

19. Third Parties

A person who is not a party to the Contract shall not have any rights to any term of the Contract.

22.2.4 it is information which subsequently becomes public knowledge other than by breach of the Contract by the Recipient.

22.3 In the event of an information request being made to a Recipient pursuant to any applicable legislation in respect of any Confidential Information then the Recipient shall notify the Disclosing Party and shall not disclose any information until an analysis has been made as to whether the information requested is capable of benefiting from an exemption from disclosure.
